Good afternoon,

I hope this email finds you all well!

R&P Captain Torres has informed our office there are large and growing encampments along the CalTrans property next to Valley Plaza Park (6911 Laurelgrove Ave, 91605) (https://www.scribblemaps.com/maps/view/Valley_Plaza/_fFqYv714bW).

The park itself has been clear of encampments for some time, but the individuals in these encampments have been conducting suspicious activities (see email chain below).

Reports have been placed with CalTrans, but it sounds like a larger concerted effort may be necessary for this location. Would you mind assisting?

I've CC'ed Capt Torres on this email if you need to follow up with him and his teams.

Please let me know if there's anything our office can do to help.

Best,

--

Sir,

We have removed encampments at Valley Plaza Park and vicinity since Monday, in preparation of a VIP Event at the Recreation Center. I assigned one of our park ranger officers to look at the area in question and write a synopsis of his observations. As follows.

North of Vanowen, (Library Side) we found 7 encampments all which were on the other side of the fence at the freeway property, which is Caltrans jurisdiction. I included some pictures of those encampments along the freeway. These are extremely large encampments and have probably not been removed in a long time. There were no encampments on the park side.

Here is an aerial of the section of the park north of Vanowen, east of the 170 freeway.

https://www.scribblemaps.com/maps/view/Valley_Plaza/_fFqYv714bw

See attached photos.

Action Items

- * We are submitting an official service request to Caltrans on their website
- * We will invite Caltrans to join us in addressing this problem by conducting a removal operation on a designated future date.
- * We will include homeless services folks LAHSA to first outreach to all homeless people there
- * We are requesting the assistance of all other agencies - LAPD North Hollywood, LAPD HOPE, City Attorney, Council Office, Mayor's Office, Recreation and Parks, LA County Mental Health.
- * Our strategy must be holistic to the entire park, north of Victory and South of Sherman Way and west of 170.

Hello Mr. Torres--

Just following up to let you know the homeless encampments still remain at Valley Plaza Park in North Hollywood, and are in fact spreading--now they are not only on the Cal Trans property of the fenceline mentioned in my original email above, but are now spreading onto the park property as well. I thought you should know, as the fights, fires, and trespassing have continued/ increased in the last three months.

Thank you

Sir,

All the illegal encampments that you mentioned are located on Caltrans State Property. I will coordinate with all the agencies to support a unified effort for removal and follow up. As you have described, the encampments have a negative effect on the neighborhood, park, and its patrons. We also want to collaborate with the homeless services professionals to outreach to any willing person out there.
